

## Recap on show information...

So I thought I would resend this with just the show information on.

### Where are we upto....?

Classes are working hard finishing the dances for our showcase. Attendance is very important at this stage as it is tricky to choreograph around spaces. I do understand that there is a lot of sickness around, so keep well everyone.

### What is next...?

Next we rummage through the costume room and dress every dancer. I have most things in my massive collection but as always there is the need for some slight alterations to ensure they fit correctly. If there is anyone who can assist with this I would be very appreciative.

### What do I need help with...?

I am organising a working bee (or rainbow bee ) for the next couple of Saturdays. These will be at the studio from 2pm. I have made a list of what we need so far so if you have a little time to spare that would be appreciated. As I progress through the costumes of each class, there may be a few more bits to do.

#### Items we need to make or fix....

- glitter rainbows & glitter gold stars (Saturday classes)
- Hand sew (or machine) of new straps on dresses (3.45 Mon class)

**Get Tickets here...**

Tickets can now be purchased through the website....

Hopefully now it is all working correctly so you shouldn't have any problems.; Your support for the hard work the students put in is so important. They love to perform and shine on the stage for you

All practices and performances will be held at the Levin Little Theatre which is next to Horowhenua College on Weraroa Road.

Here are the dates and information.....

**Performance Dates....**

**Practise & Rehearsal Dates & Times**

Thursday 4<sup>th</sup> Sept - Full Show - 5.30-8pm

**Requirements for practices**

- Supervision is required for all students 6 and under.
- All practises will be done in full costume. All costumes to remain at the theatre. Hair to be in a low bun, with a hairnet. (I have a large bag of these so please ask). Ballet students to wear ballet tights. Please wear flesh coloured underwear, bras and body suits with clear straps.
- Once they have finished all their dances, students may go. (Unless asked to remain for any extra). No need to stay until the end
- A water bottle and some snacks are a good idea, plus maybe some colouring or a book to read. Costumes to be covered when eating and drinking please.
- Practises are closed, (no watching) we don't want to spoil the surprise.
- Practises will start at the above times, so please arrive at the theatre accordingly.

**Requirements for Performances**

- Students to be at the Theatre **45minutes** before Curtain Up
- Younger students may sit and watch with parents once done, but only if seating allows. This needs to be done sensibly as we will limit traffic in and out of auditorium
- We are only doing two shows so I would like all students to remain for the final bow at the end.

I think that has just about covered everything....

As always, if you have any questions please ask. I hope that you all enjoy our showtime experience. I endeavour to make it fun (and not stressful) for everyone.

Oops... nearly forgot. - "The Grocery Raffle"

Each year we do this and it is always well received. **All that is required is that each student brings in 2 grocery items ( the more creative the better).** We then put them together in several raffles which is drawn after the final show.

Ok will leave you in peace now...

Regards

Cathy
