

Tee Shirts, Hoodies & Dance Jackets

Every year we get a commemorative t-shirt printed for the show. I have finished the design for this year and it looks great!

I am now taking orders for these but it must be done this week.

Last day for orders is Saturday 16th August

There are all sizes to choose from so let me know either by message, email or at the studio and I can add you to the list. T-Shirts are a good quality brand and the kids can wear them to class.

Kids Tee - \$ 40

Adults Tee - \$ 45

Hoodies & Dance Jackets

I am about to send in another batch of hoodies to be printed with the school name on. These have the option to get kids name printed on the back. Cost is approximately \$48 for childs size \$52 for adult size – but I will have to confirm this as prices will be different this year.

If you are wanting to provide your own hoodie or jacket you can. Make sure it is clearly named. I will work out the cost of the printing for these.

These will be going in for print next week so don't delay if you want one.
